Mel & Deana Fishman

“Our Shtetl Trip to Poland”

Mel and Deana are Sales and Marketing professionals. While living in Calgary, they were instrumental in forming the Jewish Genealogy Society of Southern Alberta, creating the Calgary Jewish Cemetery Database. Recently they travelled from Krakow to Warsaw visiting towns, villages, cemeteries, synagogues, historians and archives, searching for Mel’s “Fizman” Roots. This led them to Mel’s ancestral home town of Szydlowiec, about 40 km south of Radom. During their travels they were able to discover generations and family and now can go back to the 1780’s on Mel’s family tree.
