"The Survivors of the Green Suitcase"

Dr. Andrée Lotey teaches French literature and language at the University of Montreal and Concordia University. She has worked as a journalist for Radio-Canada, and has written many articles. After finding a mysterious suitcase in her mother's basement, she discovered that her late father had been Jewish and was rescued by Aristides de Sousa Mendes. This story was featured in the *Montreal Gazette*, and she is currently writing a true-life detective story about her discoveries.

The meeting will be held on
