The Jews of China and Beyond

The rejoining of ancient Jewish communities with world-wide Jewry in recent times, including the descendants of the tribe of Menasse in Manipur, the Jews of Keifeng, the Jews of Azerbaijan, the Jews of Pitigliano, even South & Central America...the finding of an ancient stone in the Smithsonian indicating that ancient Israelites travelled to North America. The prophet Isaiah predicted that one day all dispersed Jews would find each other. And...only 70 years after the Shoah I discovered relatives in the stetls of Bedzin, Sosnovitz & Katowice in Poland, in the same stetls where my parents lived.
