The Lost Tribes

2700 years ago, the Assyrians exiled the 10 tribes from the kingdom of Israel which they had just conquered. In actuality, the Jews of today are descendants of only 2 tribes of the kingdom of Judah. There are many legends about the fate of these 10 lost tribes which, until today, still remains a mystery. However traces of the 10 lost tribes have been found reaching as far as Afghanistan, China, Burma and Africa.
