Stanley Diamond

"Polish Records, DNA and You; Miracles Happen Every Day"

Stanley Diamond,
Executive Director of Jewish Records Indexing - Poland,
will discuss the remarkable JRI-Poland journey and
its website of more than 6.3 million records,
the largest database of searchable Jewish vital records online.
The talk will be illustrated with dramatic and heartwarming stories of
missing identity restored through the combination of
JRI-Poland's critical mass of data and the marvels of DNA testing.

The meeting will be held on

Monday, April 06, 2020 at 7:30 pm

Gelber Conference Centre

5151 Cote Ste-Catherine/1 Carré Cummings
