

# Jewish Genealogical Society of Montreal

in association with the  
Jewish Public Library  
presents

**Stanley Diamond**

## **DNA: Why Your Family Tree May Not Be Your Family Tree**

*Who am I? DNA and JRI-Poland found the answer*

**Monday, November 23 at 7:30 PM**

live-streamed on YouTube: <https://youtu.be/XBAr94gW83o>

***Stanley Diamond** is the founder and executive director of Jewish Records Indexing Poland and the founding president of the Jewish Genealogical Society of Montreal. The lecture will feature remarkable stories of how **DNA combined with genealogical research has changed lives...identities discovered, families reunited and living cousins located, and how each one of us can be key to a success story.***
